

PORTAGE HOLINESS CAMP

Celebrating 140 years of
proclaiming scriptural holiness

WE WISH YOU A VERY MERRY CHRISTMAS & A HAPPY NEW YEAR

WINTER 2017 IN THIS ISSUE

President's Message

Grace and Peace from Portage Holiness Camp!

Though I am not physically on the grounds as I write this winter letter to you I daily make it my goal to keep my soul fed from the Living Word of God and to fellowship with Him in prayer and meditation, just like we learned and practiced at Portage Holiness camp last August. I have to admit it is more difficult to maintain the same level of relationship with God half way through the year as it is in August. Maybe that is because we don't have the preaching 3 times a day or

the early morning group prayer meetings or the constant fellowship we have with like-minded believers. But if what we learned at camp has any meaning or weight at all we know that we are called unto Holiness and just because we don't have all the spiritual benefits in the winter that we do at camp in August doesn't mean we are exempt from the claims that God has placed on our lives.

We cannot play games with God. If we meant business with Him at Camp then it

should mean business all 365 days of the year. We should continue to:

- Say “no” to sin.
- Pursue holiness.
- Reject the culture.
- Be passionate about our faith.

True, most of us don't go to churches with 3 daily services or a daily prayer meeting but our hearts need to stay just as hungry for the things of God. As the deer pants for the waters so our souls should long for Him. Let me encourage you to fast a meal or two now and then as you use that time to seek His Glory. *But he answered, “It is written, ‘Man shall not live by bread alone, but by every word that comes from the mouth of God’” (Matt. 4:4).*

If Portage Holiness Camp is to mean anything at all it should mean that the Grace and Light that God pours out on us there is not so weak that it is just good for living at camp but that there is strength and power in the gospel teachings we learn there and that His Grace is sufficient to see us through to the day that He comes for us or that we go to Him.

Follow peace with all men, and holiness, without which no man shall see the Lord:

[Heb 12:14](#)

Please continue to remember the projects that various members are working on such as the tabernacle garage restoration. Some of this work was done in the fall but there will be another work time scheduled for the spring to get that job finished. We sure don't want those walls to come apart and the roof to collapse.

In addition to that the board members have discussed adding more camper locations on the east side of camp. This would entail electric, water, and sewage provisions.

On the north side of camp, the trustees are looking into the possibility of installing an extra sewage line so that those buildings could tie into it for services. If the Lord lays a burden on your heart for any of these projects or the camp in general offerings can be sent to our treasurer, John Brown, throughout the year (see page 4).

This past November Cheryl and I were blessed to visit the Francis Asbury Society conference for Holiness Camp presidents. There were about 20 camps represented from around the country and it was a refreshing time of spiritual renewal. I wish that you all could have attended as it did our souls good to see that Portage Holiness Camp

is not alone in its purpose of promoting Biblical Holiness.

As winter gets colder and spring warms things up for us let each new day be a reminder to pray for Portage Holiness Camp. Pray that Holiness be promoted there. Pray that people will draw closer to God. Pray that families and people who need Jesus will be drawn to Portage Holiness Camp and that the doors will open to allow them to come.

In Jesus Name,

Jim Brown, Camp President

Meet Song Evangelist Ken Osborne

Our Testimony

I am thankful for the privilege to serve the Lord in my daily life and through the music ministry He has entrusted me with. I love the Lord with all my heart and simply seek to do His will and be used of Him to reach the World with the message of salvation in Jesus Christ.

I was raised in a Christian home in Northern Michigan. At

an early age, I asked the Lord to forgive my sins and to make me His child. Music was also a big part of family life. My Mother played the piano and taught my two sisters and myself to sing. From time to time we would sing in our home church and some churches we were visiting while on family trips.

In 1962, I went to Owosso College and got my first experience with singing in a male quartet that represented the school. My wife Ann and I met while in college and were married in 1965. In 1968, we moved to Traverse City, Michigan and started to attend the College Terrace Wesleyan Church. In a few weeks, I was asked to be the song leader for the worship services and soon took on the duties of forming and directing a choir and the entire music program of the church, a position I served in for 21 years.

I also sang with two quartets spanning ten years, putting on concerts in Michigan and the Midwest. With this experience, I believe the Lord helped me to develop my talents in the area of concert ministry.

In March of 1990 my wife Ann and I started our full-time ministry in southern gospel music. Ann operates the prerecorded music accompaniment system, enabling me to minister through the message of the songs. Our desire is that the music and the words of the songs will draw the listeners into the presence of God and help them to see that Jesus is the answer.

PRE-CAMP CONCERT

Who: The Morse Family Singers

What: Pre-Camp Concert

When: Wednesday, August 1st @ 7 PM

Where: Camp Tabernacle

Jonathan & Heidi Morse have witnessed The Lord's hand move powerfully in their lives. Through difficult times God has been so faithful. Experiencing how HE has brought them through the storm allows them to identify with those who are hurting and are thirsting for the Lord's touch in their lives. Through music, testimony and the preaching of God's word they want to spread the Gospel of Jesus Christ to a dying world.

Jonathan has traveled with Gospel Quartets for years and is thrilled to be serving the Lord with his family. He is also the youth pastor of his church. Heidi leads a youth praise, drama and singing group called Ablaze. When not raising the eight children she is also involved with leading the youth group and counseling those in need.

Six of Jonathan and Heidi's eight children take part in the ministry as well. Carlie sings and plays her violin. Hope is learning violin and Holly and Gabriel will sometimes pick on the mandolin for a song. Gideon isn't afraid to get on the microphone (well, most of the time) and Jonah was born in April 2015 and has been exposed to Southern Gospel music early as he crawled around on the floor during practice! Now he sings along at home and one of these days will make it on the stage.

Also joining in at concerts is Jonathan's dad Bill. Bill has been playing the piano for over 60 years and is known by many in the area for his beautiful music. He plays along with the family while they sing in addition to piano solos.

The Morse Family desires to see the lost saved and to see their lives changed through the message of Jesus!

While many individuals own their own cottage on campus, the camp owns and maintains 17 buildings on the grounds. These buildings need to be cleaned in the spring before our camp meeting, and in the fall when camp is over. We are always looking for volunteers to help clean and beautify these public areas.

If you can help in any capacity, please contact David Doolittle, Camp Caretaker. (567) [208-8693](tel:5672088693)

Holiness Quotes

by **A.W. Tozer (1897-1963)**

"Has it ever occurred to you that 100 pianos all tuned to the same fork are automatically tuned to each other? They are of one accord by being tuned, not to each other, but to another standard to which each one must individually bow. So, 100 worshippers met together, each one looking away to Christ, are in heart nearer to each other than they could possibly be, were they to become "unity" conscious and turn their eyes away from God to strive for closer fellowship." -from his book The Pursuit of God

"Holiness, as taught in the scriptures, is not based upon knowledge on our part. Rather, it is based upon the resurrected Christ in-dwelling us and changing us into His likeness." -from a pamphlet Preparing for Jesus' Return

"No man should desire to be happy who is not at the same time holy. He should spend his efforts in seeking to know and do the will of God, leaving to Christ the matter of how happy he should be."
